Jazz: For three hours, the largest selection and most broad variety of jazz music played by any radio station in the Capital district. From be bop to modern, we play more jazz than anybody.

7pm

Spectrum: 91FM News presents a series of weeknightly news and public affairs specials, each evening until 7:30pm.

NYPIRG: Spectrum deals with issues of interest involving the New York Public Interest Research Group. This season will feature important events in consumerism and energy issues.

Women's Affairs: The focus is on Women, with special emphasis on the capital area. Host Chris Bose also includes segments summarizing the week's news involving women.

Third World: A wide range of topics are discussed, ranging from culture to international politics, including interviews with major figures in the Third World.

The Beat: Host Bob Clinque looks at the arts and leisure activities in the Capital area. Includes special features such as the Critic's Corner, reviewing the latest in area arts, as well as music samples.

Off Campus: Items of interest to those SUNYA students living off campus are discussed. Presented in conjunction with the Off Campus Residence Office of the University, helpful information is presented that will make off campus life easier and more rewarding.

5pm

The Shadow: Just in case you missed Monday night's show, or if you really loved it, we rebroadcast at this time each week.

7pm

Blast From The Past: Our exclusive, incomparable four hour oldies show. Host Felix Iavarone takes you on a musical journey through the fifties and sixties, and plays oldie requests every week.

91FM News

Evolution of Rock: A one hour chapter each weeknight in the history of the most exciting story of our time: the development of rock 'n' roll music.

11pm

The Shadow: The exciting and mysterious adventures of the great detective, Lamont Cranston, and his dangerous associates. The original classic 1930's radio drama.

11pm

Sportsline: One hour of talk and listener call-ins all about sports. Rick Bensignor hosts, and moderates questions for his panel of guests.

11pm

Open Fire: The most outrageous hour of Albany radio! Jeff Bellis hosts this open topic listener call-in show, and you decide what to discuss.

11pm

Long Player: Our album feature show! Each week we select the best new album release and play it, uninterrupted. Watch for special giveaways of featured albums!
